

Do you face the following situations:

- There are always few who want (at least) critical communication in hard copy format
- And it's a struggle to keep track of those few and maintain their addresses
- Feel it's a pain to send by hard-copy while it's so easy to send an email
- Frustrated with the hassles of maintaining a printer

Here is Virphy at your service:

- Virphy facilitates sending hard copy documents
- It's as simple as sending an email from a sender's perspective
- But receiver gets them in hard copy format
- It's simple to set-up, simple to use and simplifies your life

Payment Model:

- The charges are in three components:
 - Printing charges - based on various chosen options
 - Delivery Charges - based on the method of delivery and destination
 - Service Charges - fixed charges on a per package basis
- Normally Virphy operates on a pre-paid model. For known organizational customers we can offer post-paid model.
- Sign-Up, use the service and when we send the monthly invoice, make the payment

What Next:

- Sign-Up by specifying sender email (using a any normal email ID) at virphy.smuuth.solutions
- Either ask the recipients of hard copy documents to sign-up in Virphy and provide you with their special Virphy Email ID
- Or you can sign-up them yourself as users and obtain Virphy Email IDs
- Create an EMail Group of all these Virphy EMail IDs
- While sending email of any critical communication, include this EMail Group also in the To List
- Virphy will do the rest to have the physical copies delivered to those corresponding to the Virphy Email IDs
- You can also associate emails of your association members who could send emails to Virphy emails on behalf of the specified sender email
- *Specified sender email and associated alias emails need to be verified on Virphy portal (after logging-in) before they can be used*
